Say

hi :) to  
smart  
Life

# Say to smart life!

Experience the complete sense of well-being that a connected home offers with a reliable, simple and user-friendly home automation system. Home Intelligence by Somfy is designed to assist you at all times, make your day to day life easier, and promise you more comfort, more security and more time for yourself.

Whether at home or remotely, the TaHoma Living App enables you to manage your home using a smartphone and control, centralise and programme all connected equipment: curtains, blinds, lighting, air conditioning, audio & video, etc.

With Somfy, say hello to smart home!

# The Home Intelligence system with TaHoma

## Protocols

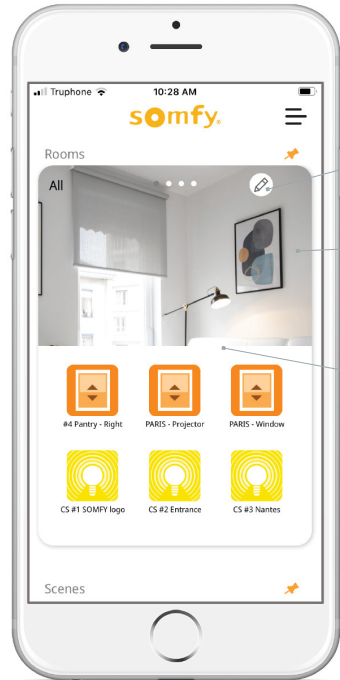

## Partner

## Open services

# Manage your home at your fingertips

Personalize with your own picture.

Swipe to change room.

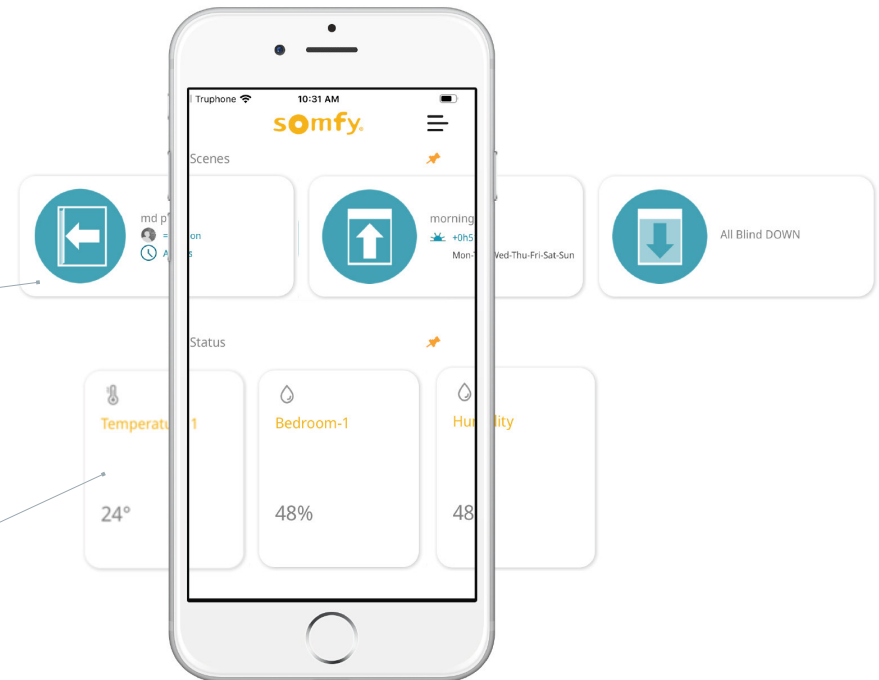

Check & control the equipment from your Phone, even when you are away from home.

With a single click, activating simultaneously several equipment.  
Triggering simultaneously several equipment by time or sensor condition.  
Enable push notification to receive alert while the scene is triggered.

Check your room temperature & humidity.

## TaHoma Living Application

is available for iOS  
and Android smartphones

# Smart life is **balancing natural and artificial light**

By using the automatic scenarios for your lights, blinds and curtains, TaHoma always ensures that you have the right level of brightness at sunrise or sunset.

Do you like waking up naturally with the sun and spending your evenings in a subdued ambiance? From sunrise, the curtains let the daylight in while the blinds come down at dusk and artificial lighting takes over.

With Home intelligence by Somfy, life will seem even more beautiful to you!

# Lighting ON/OFF Touch Panel

## 1-Gang / 2-Gang

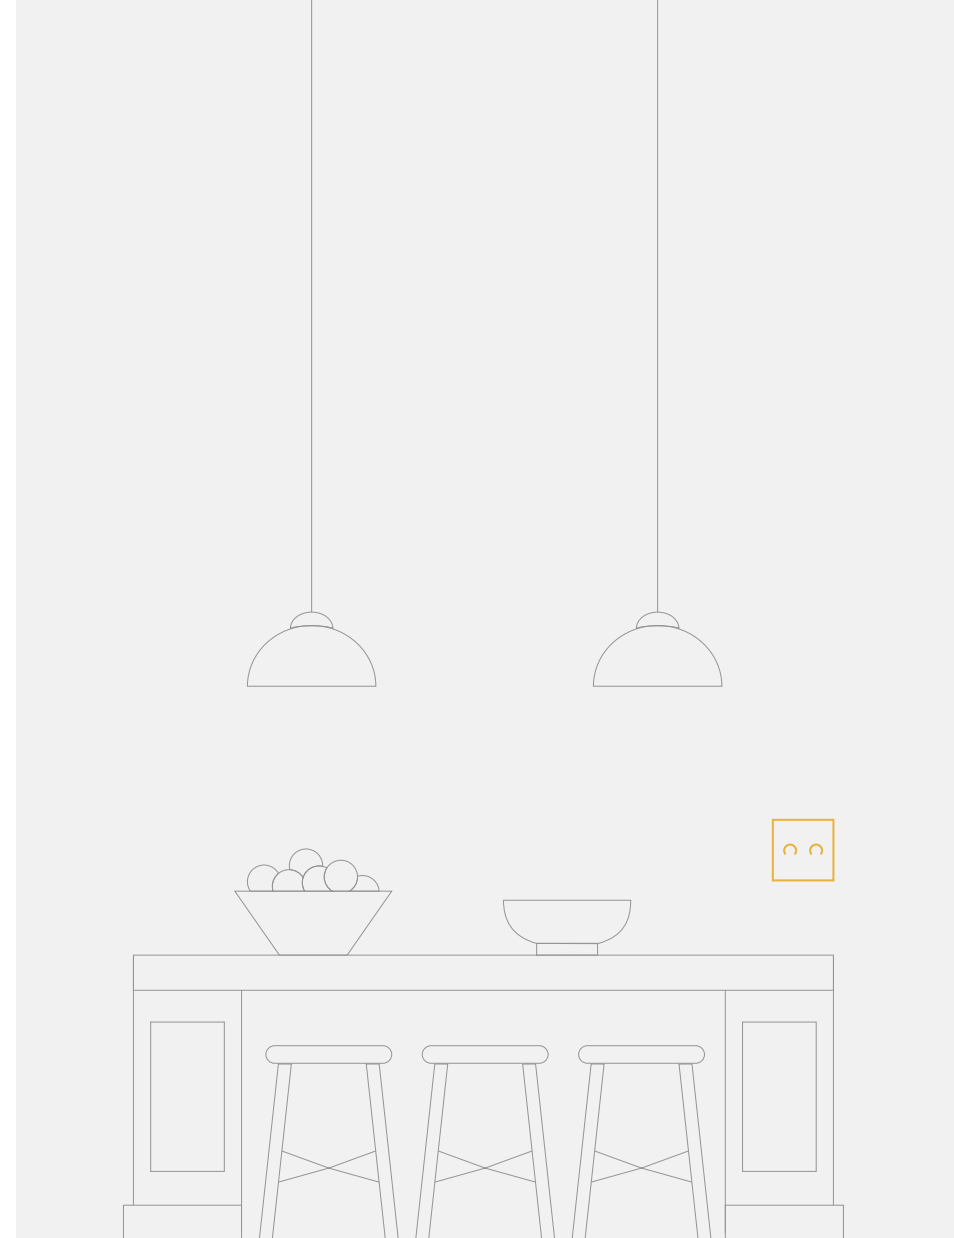

Somfy Connected touch panels enable remote lighting control via TaHoma.

Power Supply : 220V AC - 240V AC, 50/60Hz  
Resistive Load : 1000W  
Dimensions: 86 x 86 x 33mm

-  Flexible installation with or without neutral
-  Touch sensitive on tempered Glass
-  Adjustable buzzer ( high, low, off)
-  Adjustable back light (high, low, off)
-  Extend zigbee radio range as zigbee router
-  Support multiple control points
-  Real-time status in App

Partnership with Schneider offers you more choices of lighting controls.

## Wiser AvatarOn 1/2/3 Gang Switch

Installation: with neutral  
Power Supply : 220V AC - 240V AC, 50/60Hz  
Resistive Load : 800W  
Dimensions: 86 x 86 x 38mm

## Wiser 1 Gang Micro Module Switch

Installation: with neutral  
Power Supply : 220V AC - 240V AC, 50/60Hz  
Resistive Load : 2200W  
Dimensions: 43 x 43 x 22mm

## Wiser AvatarOn 1/2/3 Gang Dimmer

Installation: with neutral  
Power Supply : 220V AC - 240V AC, 50/60Hz  
Resistive Load : 1-Gang 300W / 2-gang 350W  
Dimensions: 86 x 86 x 38mm

## Wiser 1 Gang Micro Module Dimmer

Installation: without neutral  
Power Supply : 220V AC - 240V AC, 50/60Hz  
Resistive Load : 200W  
Dimensions: 43 x 43 x 22mm

# Smart life is having perfect climate control

When it gets too hot outside, TaHoma ensures that the temperature inside is kept optimal. With smart sensors, it turns on the air conditioning and activates the curtains which adopt the desired position to keep your home cool!

When the temperature goes high in the middle of the day, the blinds will lower to create a subdued, cool ambiance. Your home will welcome you in comfortable ambiance.

## The ideal temperature in all circumstances

# IR Blaster

Centralize the control of air-conditioning and Audio & Video products to your smartphone interface.

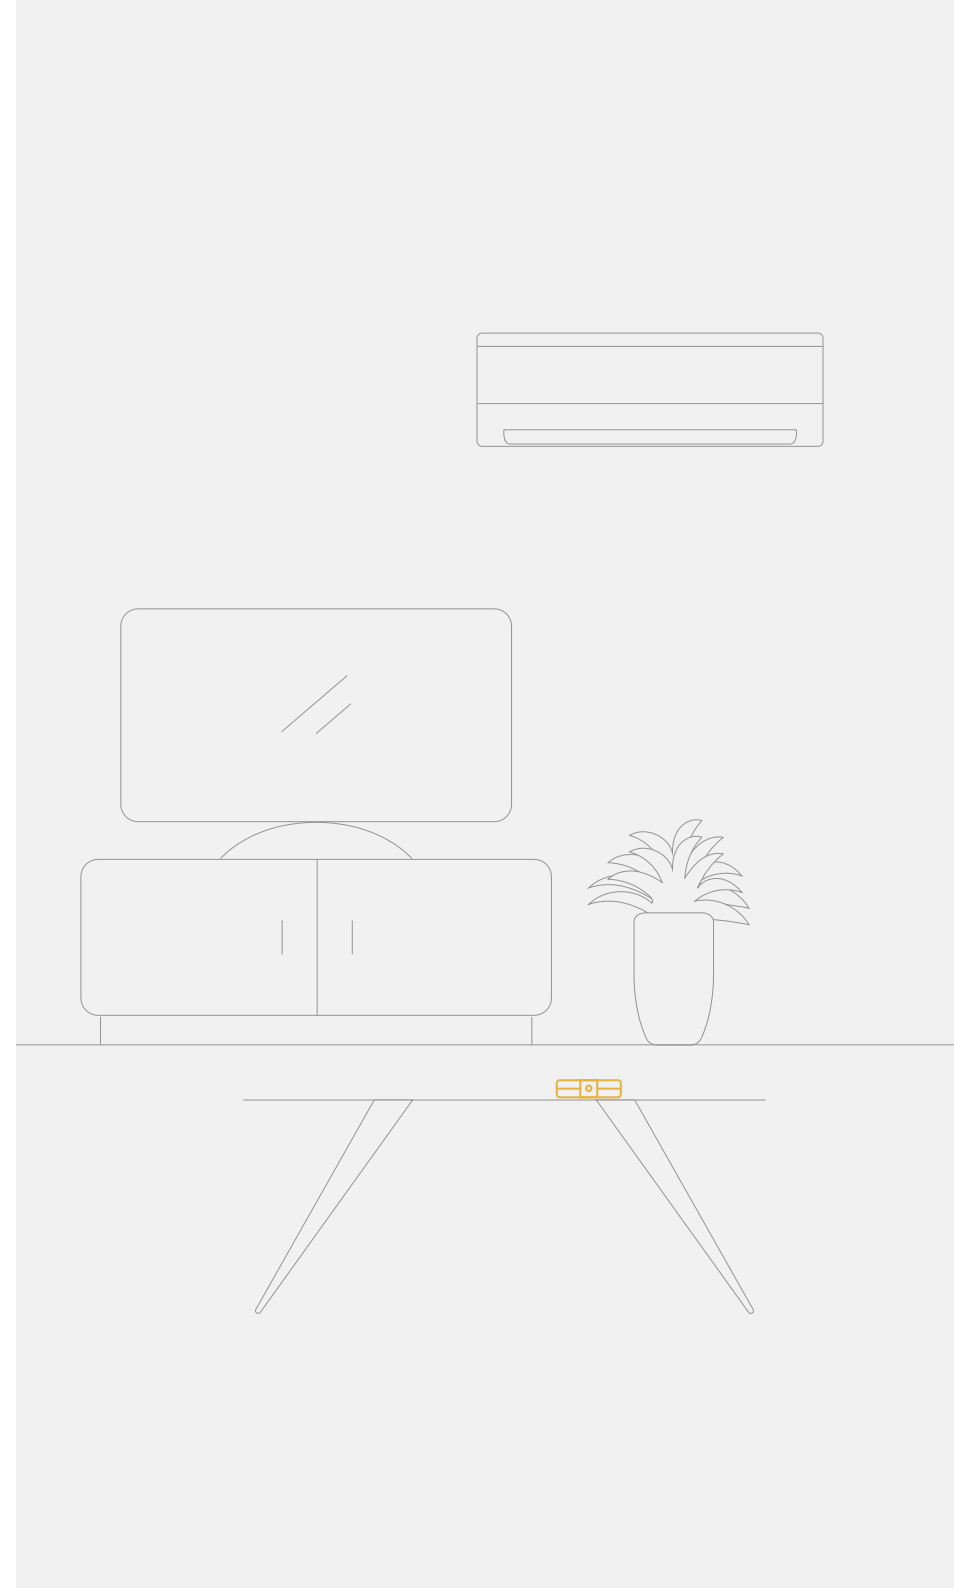

Connect your air-conditioning to TaHoma for comfort optimization.

RF distance: 80 meters (line of sight)  
Power supply: DC 5V 1A / Battery DC 1.5V x 3  
Diameter 70mm Thickness 33.5mm

-  Support over 6000 brands with 20000 codes
-  Able to restore 100 IR code from learning mode
-  Able to program a sequence of IR command
-  Extend zigbee radio range as zigbee router
-  Able to add battery for power backup

# Temperature & Humidity Sensor

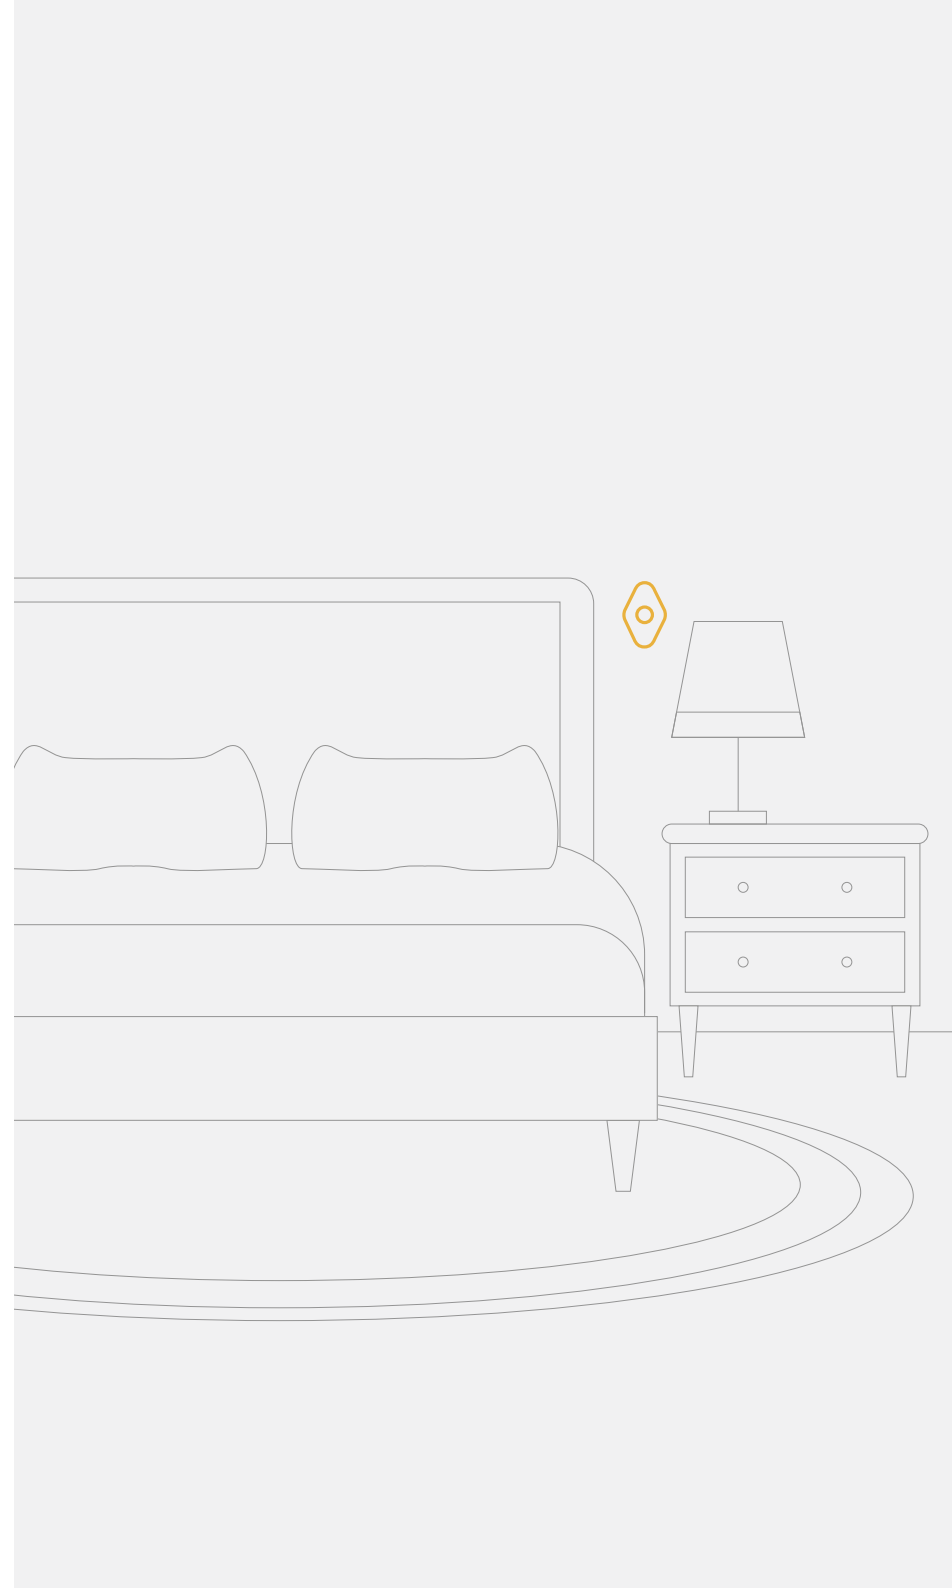

Measure indoor temperature and humidity.

Power supply : DC 3V, Battery CR032 x 1  
Dimensions: 4.4 x 63.4 x 26.3mm

-  Temperature detection 0.0°C – 45.0°C
-  Humidity detection 0 – 85%
-  Daily, weekly, monthly and yearly graphic in App
-  One year history record
-  Battery level in App

# Smart life is **taking care of those you love**

At night, the night-lights light up the way thanks to motion detectors positioned throughout the home, creating a lit path.

We all want what is best for our families.  
Are you worried about tripping over or waking the children up in the middle of the night?  
At 2AM, you get up to get a glass of water.  
No need to worry though, as the motion detectors automatically trigger the night lights one by one, all the way to the kitchen.
